

WHAT CAN YOU EXPECT FROM THIS LEARN MANAGEMENT SYSTEM

This LMS is the completion of the face to face training “Internationalization consulting”. It offers the possibility of learning by e-learning contents but also contains a lot of additional information to the single modules of the training. You can use this LMS after you have applied for the training and when you got your user account and your password.

Navigation:

Navigation through the LMS can mostly be done by using the green  and the yellow  buttons!

-  By clicking the green buttons you always reach the content of the modules.
-  By clicking the yellow buttons you reach the questions of both tests (entrance and final) and the questions of the feedback sheet for the single modules.

Structure:

The modules on the LMS are structured like this:

- Name of the module
- Curriculum
- Trainers` CVs
- Online Course (where available)
- Learning Material (some are available in different languages)

0.0 Organizational Documents

Under this link you can find the background documents for the training.

0.1 Entrance Test

After you have decided to take part in the training you will get a username and a password and you will have the opportunity to go through the Entrance Test. This test shows you the basics of the training and your knowledge-level of the single modules.

0.2 Final Test

After the training is completed you will have the possibility to fulfill the final test for a limited time-sequence. This test is part of the grading system and a must if you want to get a certificate at the end of the training.
